CRUD with Mongo Backend

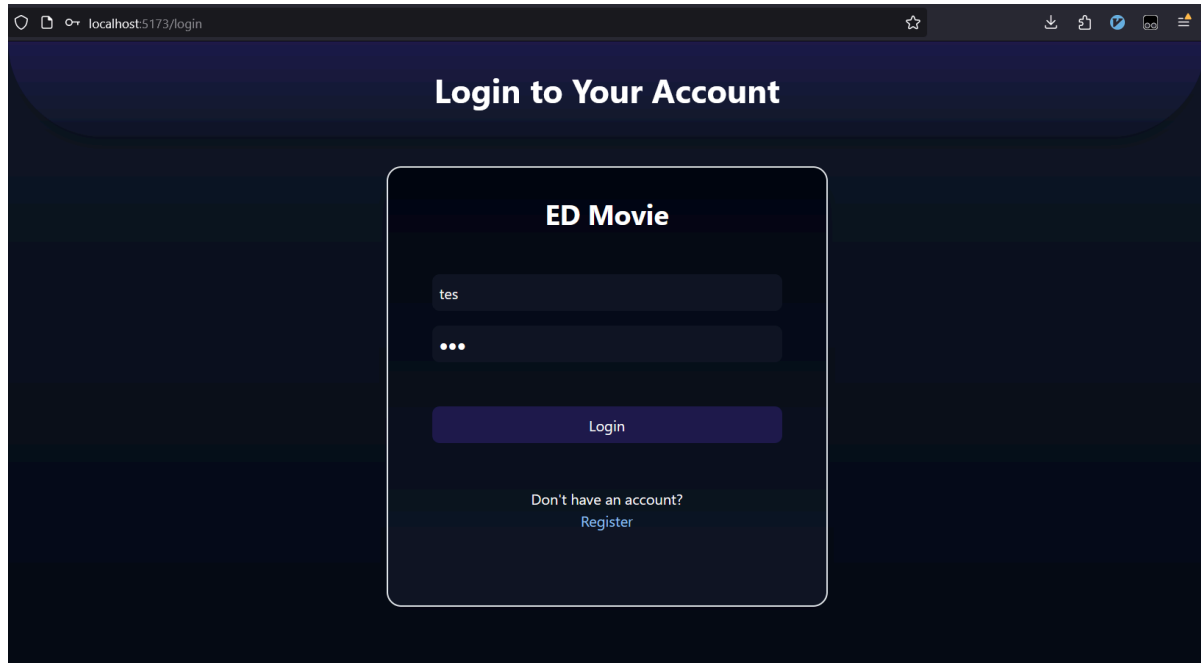

## React Router

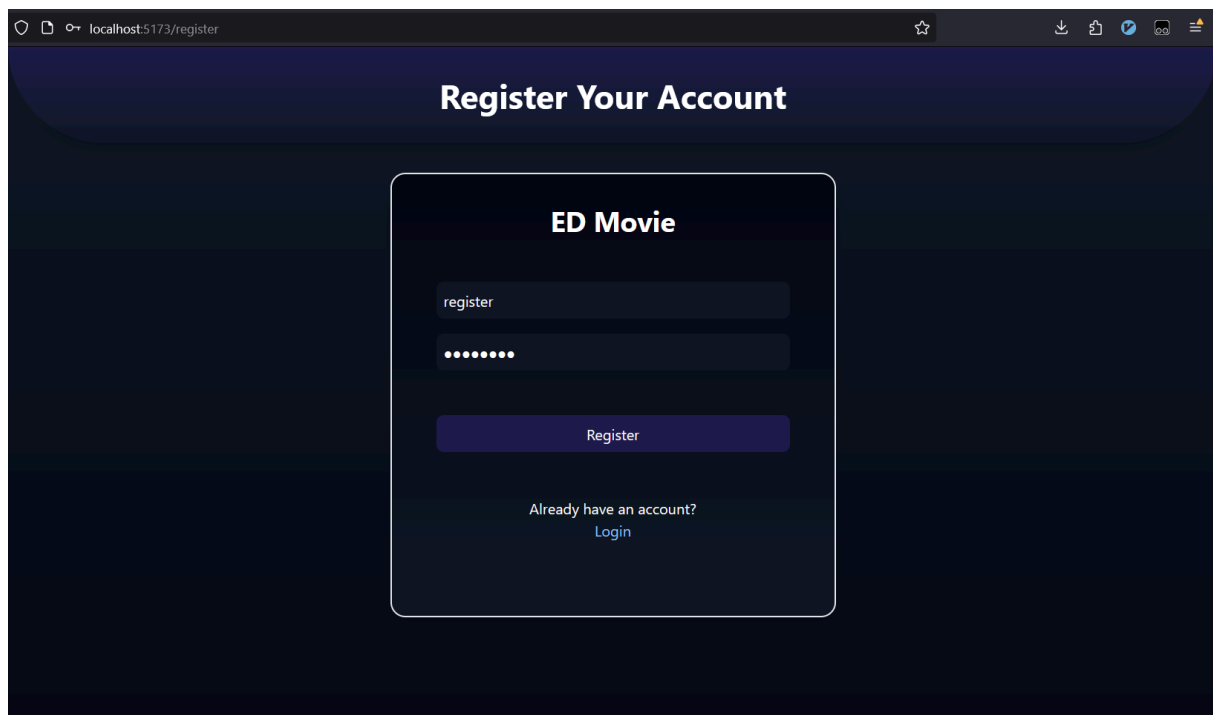

```
const router = createBrowserRouter([
  {
    path: "/",
    element: <Navigate to="/login" />,
  },
  {
    path: "/login",
    element: <Login />,
  },
  {
    path: "/register",
    element: <Register />,
  },
  {
    path: "/home",
    element: <App />,
  },
  {
    path: "movie/:movieId",
    element: <MovieDetail />,
  },
  {
    path: "/account",
    element: <Account />,
  },
  {
    path: "*",
    element: <Navigate to="/login" />,
  },
]);

ReactDOM.createRoot(document.getElementById("root")).render(
  <React.StrictMode>
    <NavBar />
    <AuthProvider>
      <RouterProvider router={router} />
    </AuthProvider>
  </React.StrictMode>
```

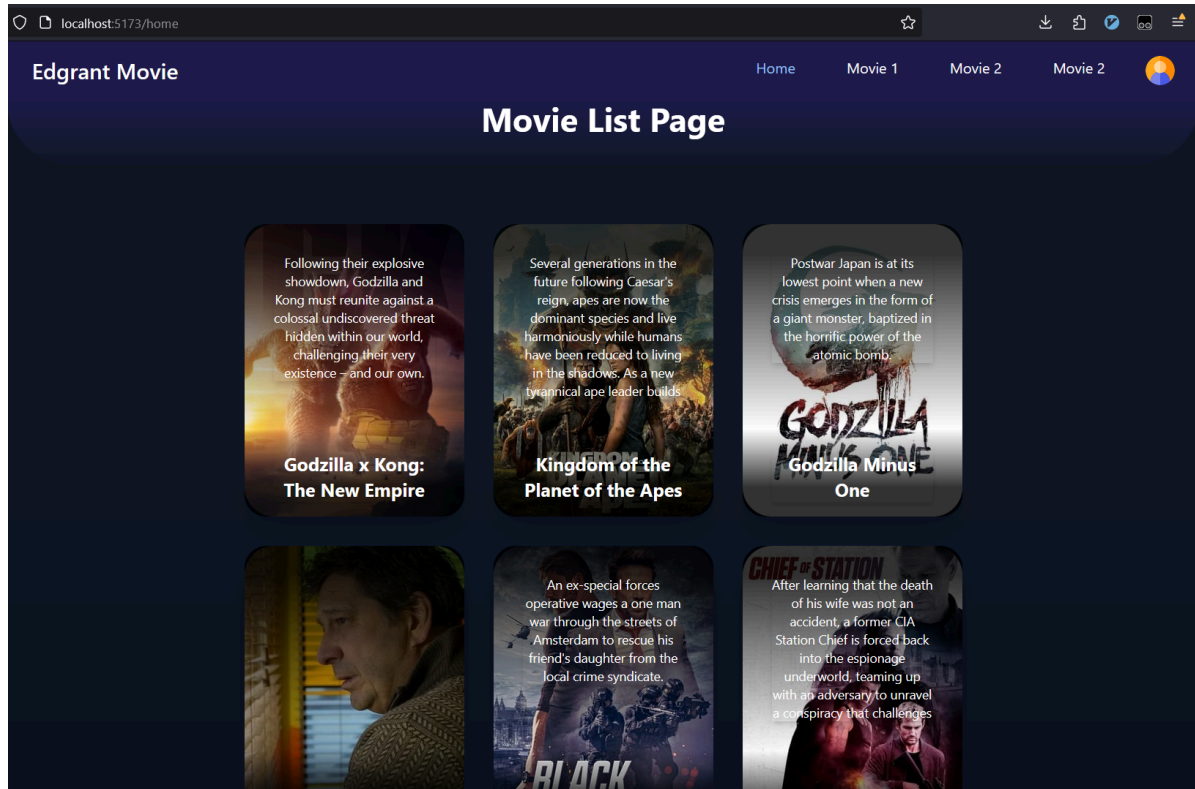

## Login Page

A screenshot of a web browser showing a login page. The browser's address bar displays 'localhost:5173/login'. The page has a dark blue background. At the top, a header bar contains the text 'Login to Your Account'. Below this, a white-bordered box is centered on the page. Inside the box, the title 'ED Movie' is displayed. There are two input fields: the first contains the text 'tes', and the second is masked with three dots. Below the input fields is a blue 'Login' button. At the bottom of the box, the text 'Don't have an account?' is followed by a blue 'Register' link. The browser's toolbar at the top right shows icons for star, download, share, and other functions.

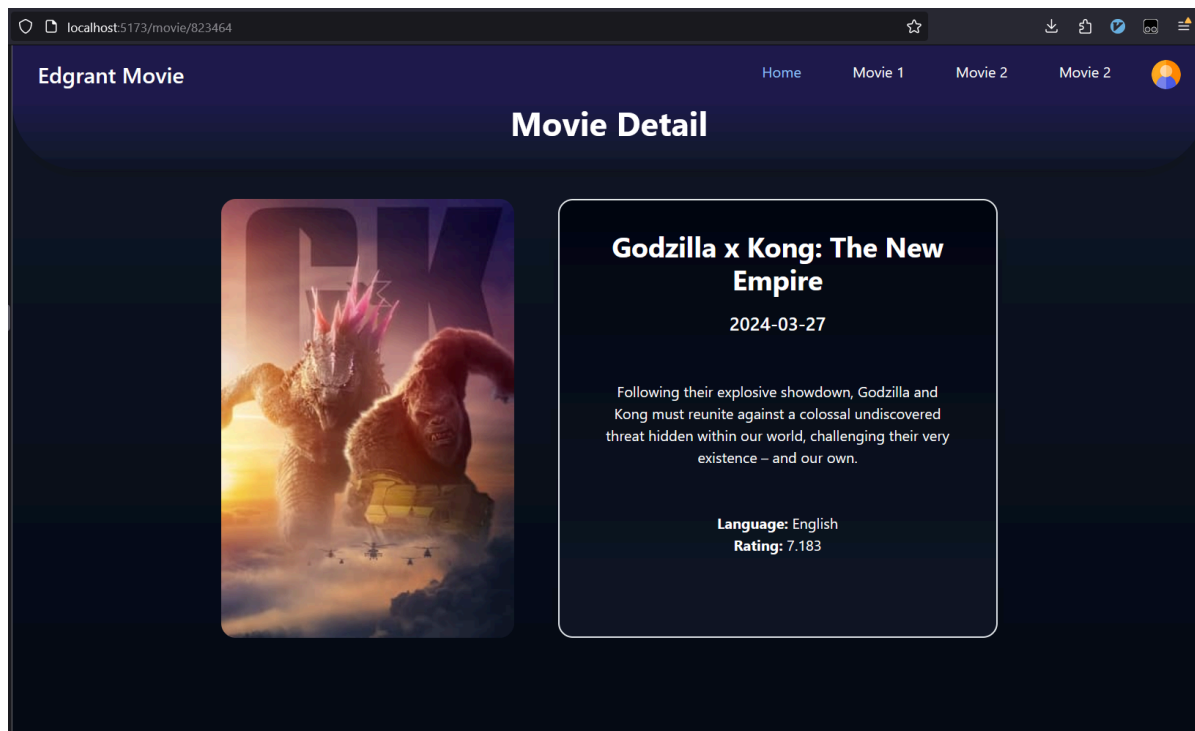

## Register Page

A screenshot of a web browser showing a registration page. The browser's address bar displays 'localhost:5173/register'. The page has a dark blue background. At the top, a header bar contains the text 'Register Your Account'. Below this, a white-bordered box is centered on the page. Inside the box, the title 'ED Movie' is displayed. There are two input fields: the first contains the text 'register', and the second is masked with seven dots. Below the input fields is a blue 'Register' button. At the bottom of the box, the text 'Already have an account?' is followed by a blue 'Login' link. The browser's toolbar at the top right shows icons for star, download, share, and other functions.

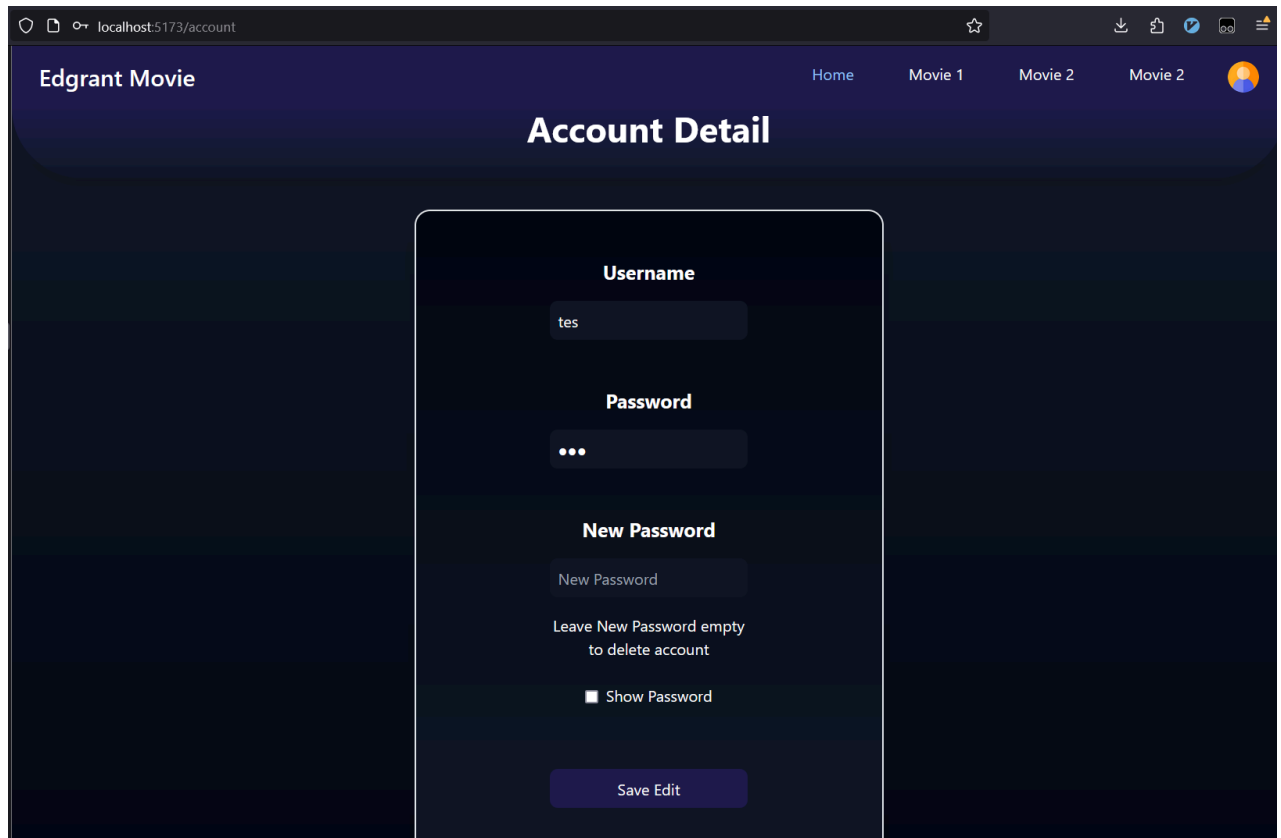

## home page

## Movie Detail Page

## Account Page

A screenshot of a web browser showing the "Account Detail" page. The browser's address bar shows "localhost:5173/account". The page has a dark blue header with "Edgrant Movie" on the left and navigation links "Home", "Movie 1", "Movie 2", and "Movie 2" on the right. The main content area is titled "Account Detail" and contains a form with three sections: "Username" with a text input containing "tes", "Password" with a password input showing three dots, and "New Password" with a text input containing "New Password". Below the "New Password" input is a note: "Leave New Password empty to delete account" and a checkbox labeled "Show Password". At the bottom of the form is a "Save Edit" button.
